

Hi! My name is Brooke. I am 15 years old, in grade and I attend Kenaston School. I haven't lived here all my life though. I used to live in Alberta, the neighbouring province but prior to that I lived in Australia. It was a lot of fun there and I miss it every day, but I really enjoy being here too. My teachers are all very friendly and supportive of the students. My small class of 8 gets along very well and we are all very good friends with each other. Right now, my ELA teacher Ms. Waldner, is teaching us about the responsibility of giving and sharing within our society. It's all about what we can do to help the "Lonely People" in our world. We looked at an Instagram page named Do Something For Nothing. It includes pictures and stories of normal, everyday people going out and helping people in need. An example would be people who are homeless. The topic is very interesting to learn about and I am excited to learn more! This pen pal activity is very exciting and I can't wait to learn more about you!

Sincerely yours,
Brooke
